

Visual communication with haptic gloves

Meeting dates

Our weekly meeting is set right after our weekly meeting with our supervisor on Mondays

Friday, 8 June 2018

Skype: get Hugo up to speed on how the project started since we received the gloves while he was in holidays

Monday, 11 June 2018

*Supervisor: face-to-face and skype later that day
Talked about the deficiency of the gloves*

Saturday, 16 June 2018

Tony and Hugo meet to explain to Hugo how the gloves work. And setup correctly the computer to use gloves

Monday, 18 June 2018

*Supervisor: do we need to make the project open source ?
Also, we received the new pair of gloves*

Monday, 25 June 2018

Supervisor: The project took on the good direction !

Monday, 2 July 2018

Supervisor: small progress, huge load of work for our EIP

Tuesday, 31 July 2018

Supervisor: Hugo asked for feedbacks about his dissertation's draft

Thursday, 2 August 2018

Focus on the corpus, 22 days left before the delivery.

Tony will do the web interface.
